

Apogee Enterprises to Webcast Annual Meeting, Host First Quarter Conference Call

June 8, 2004

MINNEAPOLIS--(BUSINESS WIRE)--June 8, 2004--Apogee Enterprises, Inc. (Nasdaq:APOG) today announced that Russell Huffer, chairman and chief executive officer, will host the Annual Meeting of Shareholders of Apogee Enterprises, Inc. on Tuesday, June 22 at 10 a.m. Central Time (11 a.m. Eastern Time). The meeting will be held at the Thrivent Financial Building Auditorium, 625 Fourth Avenue South, Minneapolis, Minnesota. The approximately hour-long meeting will be webcast live over the Apogee Web site.

To listen to the live conference call over the internet, go to the Apogee Web site at <http://www.apog.com> and then click on "investor relations" followed by the webcast link at the top of that page. For those who cannot listen to the live broadcast, a portion of the webcast will be archived on the company's Web site at the same location.

Huffer will also host a live conference call and real-time webcast to discuss the company's first quarter results and operations on Tuesday, June 22 at 1 p.m. Central Time (2 p.m. Eastern Time). The call will last approximately one hour. First quarter results will be released after the market closes on June 21.

Investors and other interested parties can participate in the call by dialing 1-800-901-5241 toll free or 617-786-2963 international, access code 45524773. Access to the conference call is open to the press and general public in a listen-only mode.

The call will be available for replay from 3 p.m. Central Time on Tuesday, June 22, through midnight Central Time on Tuesday, June 29, by calling 1-888-286-8010 toll free, access code 49964182.

To listen to the live conference call over the internet, go to the Apogee Web site at <http://www.apog.com> and then click on "investor relations" followed by the webcast link at the top of that page. For those who cannot listen to the live broadcast, the webcast version will be archived on the company's Web site at the same location.

Apogee Enterprises, Inc. (www.apog.com), headquartered in Minneapolis, is a world leader in technologies involving the design and development of value-added glass products, services and systems. The company is organized in three segments: architectural products and services, large-scale optical technologies and automotive replacement glass and services.
